AF History:

The mission of l'Alliance Française de Milwaukee is to promote, share, and enjoy the culture, language, and friendship of the French-speaking world.

La mission de l'Alliance Française de Milwaukee est de promouvoir, partager, et apprécier la culture, la langue, et l'amitié du monde francophone.

The general mission of the Alliance Française worldwide network is to promote the French language and Francophone cultures and to foster exchanges between French speakers and local communities. Founded in Paris in 1883, the Alliance Française currently boasts more than 800 chapters in 130 countries, with over half a million students worldwide. The U.S. network counts over 100 Alliances and more than 24,000 students. Most chapters offer French classes for adults and children, with a focus on understanding and speaking the language in a relaxed setting. Special events will immerse you in the Francophone culture and introduce you to native speakers and Francophiles just like you.
